Science

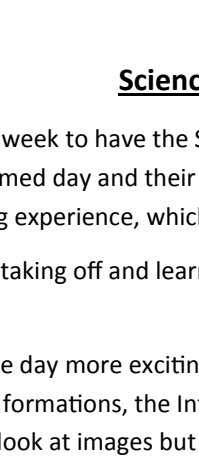

We were very lucky last week to have the S enjoyed the Science themed day and their the children in a learning experience, which

"We got to see a rocket taking off and learn Trent Bosch Year 2.

"The dome made Science day more exciting showed us the different formations, the In On a computer, we can look at images but like in space!" - JJ Parmaku Year 5

This experience was made possible by gen money raised at our Christmas Fayre. I wo ed, both through donations and by attendi atmosphere around the academy for the e possible without your support.

Another big thank you to those parents/ca school event on Friday 19th. Again, there w academy and the children very much enjoy and the rest of the year so far. Feedback al and we are already planning to make some
